If you are interested in being listed as a Registered Artisan/Applicator on our website, please see below for the three ways to qualify:

1. 3-Day Training + 1,000 Square Feet

Successfully complete American Clay's 3-day Advanced Applicator Training and have applied 1,000 square feet of American Clay plaster to walls and/or ceilings with client references for work performed.

2. 1-Day Training + 10,000 Square Feet

Complete American Clay's 1-day Basic Application Training and have applied 10,000 square feet of American Clay plaster to walls and/or ceilings with client references for work performed. Also, submit a recommendation from an American Clay approved Artisan.

3. Submit Samples + 3,000 Square Feet

Submit five to eight 2' x 2' samples to American Clay, in the following finishes:

- Loma™; sponged finish (**required**)
- Lomalina™; smooth, troweled finish (**required**)
- Porcelina™; smooth, burnished finish (**required**)
- Marittimo™; compressed smooth trowel, burnished to reveal shell patina (**required**)
- Enjarre™; matte finish (**required**)
- Any finish; lime washed
- Any finish; lime gauged
- Any finish; artistic representation

Also, have applied 3,000 square feet of walls and/or ceilings with client references for work performed.

***Note: Current schedules of American Clay workshops are available at www.americanclay.com**

By signing below I acknowledge that I have read and fully understand the application process of American Clay as set forth in this document. I also accept that American Clay cannot be responsible for issues that arise out of application due to its lack of control of the process. By agreeing to the terms of this agreement, I am responsible for keeping current any licenses, bonds, and insurance that may be required of me by the state/county/province in which I work. I agree that being listed on American Clay's web site is solely at the discretion of American Clay and that the listing may be removed at any time without notice or recourse. In order to maintain my spot on American Clay's Artisan list I must take at least one American Clay training per year.

This form **cannot be used** to represent a company; each individual working for the company must qualify, read and sign this document to be recognized as a trained American Clay Artisan.
